The Youth Football Coaches Handbook

A step by step interactive guide for coaches
THANKS TO

You for reading this material, I hope it serves you well. All the players, All the parents, All the coaches. My wife Carolyn. I'll be home right after practice. My children Erika, Henry, Elizabeth, Jack, Jennifer and ....? You are the light of my life.
About The Author

Erik Saunders has been coaching football for twenty seasons and is currently operating the Football Academy in Charlotte North Carolina. Erik provides training to hundreds of youth athletes each year through his Academy and volunteer efforts. Erik is an active author and his articles and instructional videos are viewed over 100,000 times per year. Erik is also a professional sales trainer and speaker with expertise in customer service and sales industry.

The Youth Football Coaches Handbook is a step by step guide to coaching youth football. The book covers all aspects of being involved in youth football from communicating with parents and installing offensive plays all the way to the post season banquet.
